

THE PALATKA NEWS

NEW SERIES VOL. XV, NO. 8.

PALATKA, FLORIDA, FRIDAY, FEBRUARY 22, 1907.

\$1. Per Year.

We Must Have FLOOR SPACE

On which to display the mammoth stock of Spring Clothing which is now arriving.

In order to accomplish this result in the short time left us we have decided to let the people have all our

Winter Weight Clothes

at a slight margin above New York Manufacturer's Cost.

This means Stylish, Hand-Tailored, Elegantly Finished Suits of the Most Desirable Fabrics for Everybody.

There isn't a shop worn or shoddy garment in this store.

By reason of this reduction on this season's clothing every man and youth in Putnam County can

Start the Year Right

with a new suit and have the satisfaction of knowing that he is as well dressed as the best of them.

In this store are the Clothes you'll see worn today in big cities by men who know what style is—who set the style. The illustrations show some of the advance models—genuine Schloss or Kirschbaum suits; medium length, semi-formfitting, splendid examples of good taste and good fashion.

They are not too extreme and not too staid; you will find them as good style a year from now as today. They are some among our many attractive Clothes—models for gentlemen. Come in and see them all.

Remember, this sale is no closing out of musty, shop worn garments of antiquated style, but a sale of

1906-07 Winter Goods.

There will be no band accompaniment with this sale. We are dependent on the High Quality of the Goods and the real, substantial reduction in Price at which we offer them.

Howard Gould's Yacht.

The steam yacht "Niagara IV," belonging to Mr. Howard Gould of New York was anchored off Vertrees & Co's dock yesterday afternoon and last night.

Mr. Gould, who is one of the youngest sons of the late Jay Gould, is here with a party of friends and all were guests over night at the Hotel Saratoga.

The party as registered consists of Howard Gould and valet; Count Armand Biron and valet; Wm. H. Hall and M. D. Chapman, steam yacht Niagara, and the yacht study, but over a hundred people and to return home, being unable to find standing room.

The yacht was viewed by many people while anchored in the river.

The New Dry Goods Store.

The Earnest Company, Palatka's new dry goods store, announces its formal opening for Saturday, March 23. The announcement will be found in this issue of the News.

While Saturday, March 23, will be the opening day, the real occasion of the company's introduction to the Palatka and Putnam county people will extend through all of the following week, and the occasion is to be one of bargains for all.

The store is now busily engaged in unpacking its bundles, boxes and bales of new and attractive goods, and in our next weeks paper will go somewhat into detail concerning the bargains they will offer during the opening days.

In talking with the News yesterday Mr. Earnest stated that it is the purpose of his company to give to the people of this city and county an up-to-date store, and one that will in every detail of volume and character of stock reflect credit on the city.

The amount of goods carried will be heavy and of the choicest selection. The store is large, airy and well lighted and so constructed as to give room for the generous display of goods, and its location, in the center of Palatka's best business district, all combine to insure the new concern a prosperous business from the first.

Home-Made Catarrh Cure.

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following prescription, it is supposed, because of its promptness in driving from the blood and system every vestige of catarrhal poison, relieving this foul and dread disease, no matter where located.

To prepare this mixture: Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless, inexpensive mixture, which has a peculiar action upon the eliminative organs of the kidneys, assisting them to filter and strain from the blood and system all catarrhal poisons, which, if not eradicated, are absorbed by the mucous membrane, and an open sore or catarrh is the result.

Prepare some and try it, as it is the prescription of an eminent catarrh specialist of national reputation.

New Train Service, Jacksonville to Augusta via A. C. L. Ry.

Pullman drawing room sleepers between Jacksonville and Augusta, leaves Jacksonville 8:35 p. m. daily, arriving Augusta 7:40 a. m. Eastern time. The only through car line between these points. Lose connection at Jacksonville with all trains from the south.

See ticket agent and consult pullman folder. For full information and Pullman reservation write or call on Frank C. Boylston, District Passenger Agent, Atlantic Coast Line, Jacksonville, Fla.

Notice to Creditors and Others.

Notice is hereby given to the creditors, legatees, distributees, and all persons having claims or demands against the Estate of Henry S. Wilson, late of Putnam County, Florida, deceased, to present them within two years from this date.

And all persons indebted to said Estate, are hereby notified to make payment of the same to us at once.

This January 22, A. D. 1907.
MARION D. WILSON and
ASAD E. WILSON,
Executors of the last Will and Testament of Henry S. Wilson Deceased.

THE ORGAN RECITAL.

Presbyterians Dedicate Their Magnificent New Pipe Organ on Monday Night.

The fine two manual organ, built by M. P. Moller of Hagerstown, Md., for the First Presbyterian church was dedicated last Monday evening before one of the largest audiences ever assembled in one of our places of worship. Not only was every seat filled and all the floor space covered with people, even to the back of the church platform, and the ministers study, but over a hundred people and to return home, being unable to find standing room.

Those who were fortunate enough to find seats, listened with wrapt attention to two hours of most enjoyable music, admirably rendered, and had the building been other than a church, it is more than likely that each number would have been encored.

The recital began with the opening of the organ by Mrs. Jessie M. Charles who has fortunately for the church been secured as regular organist. She showed in her first number, by Tours, that she was a thorough church organist. Her fingering was clean and her pedalling good; but it was especially in her third piece, an andante by Lemare, with its haunting melody, that she showed the true tones of the organ—each distinctive quality of stop showing to best advantage, her combinations being most effective.

"Hark the Organ" was well sung, and the twenty-five voices did their utmost to render the music in the most effective way, the crescendo and diminuendo being given with due appreciation of the words which were well suited to such an occasion.

Mr. Harwood Rosser is always welcome in our midst and with such an accompaniment his selections are appreciated even more than usual. The Wedding March, "Miserere" the Holy City and Meditation being equally well given, the latter perhaps being the first choice of the listeners.

Miss Rowley's friends, too, were more than satisfied with her playing of the Hymn of Nuns, and considering the very little time she had had to practice, she deserves great credit for the manner in which she carried through her part of the program.

Miss Ida Lieb has a very pleasant and flexible voice and fully deserved the nice things said about the rendering of her solo, "The Lord is My Light." We note Miss Lieb as one of the coming singers of Palatka.

Mr. M. M. Vickers sang "Now the Day is Over," with great taste, his selection being a happy one, and being much appreciated.

"The Romance," sung by Mrs. Hamm and Mrs. Smith, was also delightfully rendered, the parts in the second verse coming together very prettily, the only fault we heard was that it was too short.

Next came the two organ solos, "Offertoire," Faulke, and Variations on "Jerusalem the Golden," Sparks. Miss Bassett is a concert organist, and played her selections, both as to manuals and pedals, with care and exactitude; her pedalling in the variations being clean as well as rapid and she showed off the organ's tone to great advantage.

Miss Bassett has bright opportunities as an organist before her and her accompaniments with Mrs. Bassett, Miss Devereux and Mr. Rosser were tastefully given, the right support being given in each case.

"O Divine Redeemer," sung by Miss Devereux, showed her fine voice to the greatest advantage and was listened to with marked attention.

Mrs. Bassett's singing is so well known that it is difficult to add much to the flattering mention she always receives, but she will never sing to a more appreciative audience than on Monday last. Her notes were taken easily, giving due effect to each phrase, the spirit of her solo "Fear Not Ye, O Israel" being well carried out from beginning to end.

A fitting finale to the recital was the singing of the old "Coronation" by the vast audience with full organ accompaniment, showing the great help a fine tuned instrument can be in sustaining the voices of such a gathering. It was most pleasing to see the kindly interest and help given by members of other denominations to the Presbyterians in their pioneer work of providing a suitable organ for their divine service. It marks a corner stone of improvement and advance in our city, to which, as well as the church, it is a great credit. It speaks of much self-sacrifice of the members of the congregation, which we feel sure will be amply repaid by the awakened interest it cannot but help making in the services of the church.

The foregoing description of the organ recital was prepared for the News, at its request, by Capt. B. G. Jarvis, whose innate modesty forbids mention of his own artistic playing, by many regarded as one of the finest organ performances of the evening. To Capt. Jarvis is due largely the credit for the installation of this fine organ in the church. It was first suggested by him, and the sentiment which culminated in its purchase was largely of his making. He made the measurements and attended to the work of colorings and selection. In fact it is due to his perseverance that this great aid to worship is now a fixture in the church. At the conclusion all who took part in the recital were given a banquet at James & Varnes' restaurant, during the progress of which Capt. Jarvis was presented with a magnificent field glass as a slight token of the esteem in which he is held by the choir and official members of the church.

ITCH—RINGWORM

E. T. Lucas, Wingo, Ky., writes, April 25, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could find, beside a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the liniment on two separate occasions for ring worm and it cured completely. 25c, 50c and \$1.00 Sold by Ackerman-Stewart Drug Co."

ARE YOU RESTLESS AT NIGHT?

And harassed by a bad cough? Use Ballard's Horehound Syrup. It will secure you sound sleep and effect a prompt and radical cure. Sold by Ackerman-Stewart Drug Co.

New Shirtwaists at Miss Bucky's.

LATE STATE NEWS.

Aracadia is to have a system of sewerage.

Fourteen launches are entered for the motor boat races at Ormond today.

A new steamship line is to be established between Tampa and New Orleans.

Rev. John W. Hendry, a pioneer preacher of south Florida, is dead at Wauchula.

Rev. S. W. Carson, a pioneer Methodist preacher of South Florida is dead aged 77 years.

Alfred Sargent convicted of murdering John Skeels in Duval county last October, was sentenced to hang by Judge Call last Tuesday.

Palm Beach people are making preparations to receive President Roosevelt, whom it is rumored has it in mind to make them a flying visit.

The citizens in the northern end of Dade county are moving for a division of that county and are putting up a very plausible argument why it should be done.

Congressman Richmond P. Hobson, the hero of the Merrimack, and Senator J. P. Duffie are to be among the oratorical attractions at the St. Petersburg Chautauqua.

Miss Cornelia Huntley, 18 years old and a novice nurse in St. Luke's Hospital, pretty as a picture, eloped last Saturday with James R. Byrd, whom she married. Byrd is Seaboard Air Line agent at Tribby.

Mr. and Mrs. George W. Morton committed suicide in their room at the Tampa Bay Hotel last Saturday night. They were financially "broke," and couldn't face the prospect of honest work. They drank chloral.

Gov. Broward has appointed Frank A. Walpole, editor of the Manatee Record, county treasurer of Manatee county, to fill the vacancy caused by the death of J. W. Nettles. Walpole was a candidate for state convict inspector.

Edward Hale, a colored hack driver of Gainesville was arrested this week for selling liquor. A search of his home brought to light an array of pint bottles filled with booze. Hale was fined \$500 and costs, or a jail sentence. No prohibition don't prohibit!

Mademoiselle Elise de Pape has been awarded \$3,000 damages by the U. S. Court in Jacksonville in an action for false imprisonment against Chas. I. Craig of Dade county. Craig had the lady with the pea soup name arrested for willful destruction of property and then failed to make good.

Fred Gallinger, a merchant tailor of St. Augustine, committed suicide in his shop Monday morning by inhaling gas. He left a note which said: "I am sorry I have to do this act, but I don't see any other way to get out of it, as I am completely ruined. Roulette was the cause."

Henry A. DeLand of Fairport, N. Y., founder of the town of DeLand, Fla., and one of the prime movers in the John B. Stetson University, was a guest of the University last week and was given an ovation by the assembled pupils when introduced by President Hulley. In the afternoon of the same day the old settlers of the town held a special reception in his honor.

Hon. W. A. MacWilliams, representative in the legislature from St. Johns county will introduce a bill to create a state board of good road commissioners whose duty it will be to build roads from Jacksonville to Pensacola, Jacksonville to Miami, and from Jacksonville to Tampa. His scheme is to work one-half of the state convicts on these roads, the other half to be leased as at present, the amount received from the leased convicts being sufficient to maintain the half at work on the above roads. The scheme looks feasible.

The Democrat recently stated that, take it one month with another, the climate of Florida throughout the year was the very best in the United States. And we said in all seriousness, not as a mere piece of stock brag. General W. W. Loring, of Confederate fame as a fighting major-general, went to Egypt after the Civil war, and took service in the army of the Khedive. While there he wrote a book, and in discussing the boasted climate of that country, he said: "Acquainted with all the best Southern climates in the world, I do not think there is any that is comparable with that of Florida." The testimony of such an expert counts—Live Oak Democrat.

At a benefit supper given by the members of the Methodist church at Green Cove Springs a week or more ago, a beautiful fancy cake was placed on sale at 5 cents a vote, the cake to be awarded to the young lady receiving the most votes. There were several young ladies entered for the contest and the voting among their friends was spirited. During the last eight minutes of the contest over \$1.00 was paid for votes. The cake was finally awarded to Miss Kittle Nippins, and brought a total of \$1,279.65. In addition the supper brought in \$80.40, and the cake after being photographed for postal cards, also to be sold for the church fund, was cut into small slices which sold at 25 cents each. The Methodist church at Green Cove Springs was burned to the ground several weeks ago, and the money derived from this contest and supper will rebuild.

HEALTH

Means the ability to do a good day's work, without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and polluting the blood. Such a condition may be broken and quick-travelled by Herber's best liver regulator or that the world has ever known. Mrs. D. W. Smith, writes, April 3, 02: "I use Herber's and it is the best medicine for constipation I have ever used. I have ever used it for 10 years. Sold by Ackerman-Stewart Drug Co."

Teachers' Bible Institute.

Rev. W. J. Carpenter, of Tampa, president of the State Teachers' Bible Institute, has issued a call for a Teachers' Institute, to be held in Tampa from March 10 to 17 inclusive. The call says:

"This Institute will be conducted by Dr. H. M. Hamill, superintendent of the Teachers' Training Department of the Methodist church, and one of the ablest men in his line. Dr. Hamill will be assisted by Mrs. Hamill, who will have charge of the primary work, and also by Marion Lawrence, of Toledo, O., secretary of the International Sunday-school Association. Mr. Lawrence is one of the most widely known Sunday-school workers in the United States. Prof. Sherer, president of the Lutheran College, of North Carolina, a prominent Bible teacher, will also be included in the faculty, together with other well-known Sunday-school workers. These are all specialists in their line and combine the best talent to be had."

"This Institute will be held in Tampa, at the First Methodist church auditorium, and will be supported by all of the churches in the city for the purpose of assisting Sunday-school teachers in their work for training the children, and for the benefit of all Bible students. It has been determined to open this Institute to all Sunday-school superintendents, teachers and workers, as well as Bible students, in the state, and to invite them to come to this city and share in the benefits to be derived from this combination of great teachers. Every worker is urged to come personally, and it would be a good idea if each Sunday-school would raise sufficient funds to pay the expenses of some teacher who could not come otherwise."

"Reduced rates will be allowed by the railroads and board can be obtained in the city at moderate rates for persons attending this Institute. Those who intend coming should communicate with J. M. Graham, chairman of the committee on entertainment, who will be pleased to furnish all information regarding places and rates."

"This is a rare opportunity to secure great benefits for Sunday-school workers, and it is hoped that you will avail yourself of the opportunity, as it is seldom that such eminent specialists can be secured for this section. And other information will be cheerfully furnished by the president."

New Spring Clothes.

With the sure approach of spring the interest in new wearing apparel is not confined to the ladies—not by a long shot.

If the men and youth of Palatka haven't an interest in good clothes, then it would be hard to locate a place where such interest is apparent.

During the past several years there has been sold in this city more really excellent clothing than in any similar sized city in the state, and the reason for this fact is due almost solely to the efforts of the Fearnside Clothing Company to secure the best makes in men's wear.

The work of this firm has been educational, and now the people of Palatka are generally coming to buy other than the very best in men's clothes.

The garments for men which today are universally acknowledged to be the best—best as to cut, fabric and finish—are made by Feuchheimer, Fischel & Co. By agreement among the clothing men, this firm has now the first rank among manufacturers so long held by the Stein-Blockers. Their garments are in leading demand among well dressers. The Fearnside Company has secured the agency in Palatka for this make of clothes, and in this addition to the well-known makes of Kirschbaum and the Schloss Bros. The new spring goods from these three houses will arrive during the coming week, and Mr. Fearnside asks that his customers come in early and make their selections. He says: "No use talking, WE HAVE THE CLOTHING SELECTIONS AND BARGAINS for Florida for the coming spring."

Spelling Bee at Interlachen.

The Interlachen correspondent furnishes the Times-Union with the following account of an interesting spelling contest at that place last Friday night:

The Village Improvement Society gave its second entertainment of the season in the town hall last Friday evening, the evening being this time devoted to an old-fashioned spelling contest, which created much amusement. Old and young competed in the contest, and the words were most appropriately chosen from an old "blue-back" spelling book. Mrs. Edwin Brewer acting as spokesman, and Miss Isabel Downing, and Miss M. Faris Coburn as captains of the long lines of contestants. Slowly the ranks thinned down until but two were left. Mrs. Sam Jack and Miss Coburn, and when an unwary lapse of the tongue misplaced a letter in a word given to Mrs. Jack, Miss Coburn caught the word, spelling it correctly, and thus won the championship for the evening.

Sandwiches of many varieties, accompanied by steaming coffee were then served to all, and a social hour was engaged in before the close of the evening. The sum of \$9.00 was realized from the entertainment. The V. I. S. is an energetic and ambitious society, and proposes to do much for the betterment of the town, a clay walk to the cemetery being one of the first objects to be accomplished, and the beautifying of the school grounds will at the same time be carried forward.

LETTER TO J. D. POINTS,

Palatka, Florida.

Dear Sir: Every boy Devote is done with less gallous than ever before with any other paint.

S. J. Field, Indianola, Fla., says: "All houses here are painted Devote. The hot air is too trying for other paints. One coat Devote is better than two any other paint, so far as we know."

Less gallous, less cost. Yours truly,

F. W. DEVOTE & CO.

Don't miss seeing East Lynne at the Amory Tuesday night.
